Penalties for late return of forms:

- Late return of the Female Inventory (FI) or the Bull Inventory (BI), or Bull Levy form, after 30 days from date of issue, will incur a flat rate fee of \$25 per week (\$100/month) for every week, or part of, that it is overdue.
- Non- return of a FI or BI or Bull Levy form, beyond 60 days from date of issue, will result in the cancellation of any record (De-registration) of all females or all bulls (as the case may be) in the Herd Inventory, of the person recorded as the owner at that time.
- The De-registered animals will not be visible on the Breedplan search engine.
- The animals will be Re-registered, and made visible on the Breedplan search engine when:
 - 1) the relevant forms are received
 - 2) payment of the 'reinstatement fee' for deactivated animals is received
 - 3) payment of the invoice pertaining to the relevant form is received

Penalty for Late payment of any invoice:

- Payment of an invoice after 30 days from date of issue will incur a flat rate fee of \$25 per week (\$100/month) for every week, or part of, that it is overdue.
- Non-payment of an invoice beyond 60 days from date of issue will result in the cancellation of any record of all animals in the Herd Inventory, of the person recorded as the owner at that time (clause 4.1.g Regulations)
- The animals will be Re-registered and made visible on the breedplan search engine when:
 1. payment for the invoice is received
 2. payment of the 'reinstatement fee' for deactivated animals is received
